

Huskies Talk Issue 3

New Facility Update

Harrison Hills City Schools New PK-12

Construction Update

- Continued progress of the insulation, brick is being completed on the front of the building.
- The CORE team met on Friday September 14th. where building progress, inspections, and turn lane completion were reviewed.

- Elementary school progress is coming along quickly.

- The Jr./Sr. HS lunchroom had some windows installed and the auditorium block work has begun.

- The second floor walkway connecting the high school and Jr. High has begun.

District Office

- Mrs. Snider attended the Children Family First Council and Safe Schools meetings.
- The superintendent attended the Cadiz Business Association meeting where the Christmas parade and Holiday Snowmen display were reviewed.
- Mrs. Snider attended the OMERESA regional meeting where transportation, school laws, and tech services were reviewed.
- Hammond Construction and Mrs. Harding have been continuing communication concerning the reporting for the school building project. As expected, as the project has picked up “speed”, so has the paperwork. Having Hammond as the district’s CMR has been very helpful during the various processes.
- Final expenditures are occurring for the closing out of grants. Reporting will be due on September 30.
- Mrs. Harding has worked with Kelly Howes concerning the procurement review for cafeteria. Kelly has been working with the state review officer and this review should be done shortly.
- Mr. Ripley rode am and pm bus routes last week as he continues to edit routes and student information.
- Families in all schools are being contacted for submission of free and reduced lunch forms.
- Mr. Ripley had a training with 247 Security.

Harrison Central Jr/Sr High

- Cruz Capers shot a 79 to earn all OVAC first team honors and the Huskies finished 3rd overall!

- Seniors (l-r) George Novotny, Bailey Eberhart, Luke McKinney, Bailey Mitchell, Payton Taylor, and Mackenzie Jurosko were selected to spend a week in Washington DC in March with the CloseUp Program. It is a government studies program where they will get to meet peers from across the country, debate, visit monuments, memorials & museums, spend time on Capitol Hill, and so much more!

- Payton Taylor received the Scholar Athlete of the Week Award from News9! Go Payton!

- Sunsets from the press box are nice, especially when followed by a soccer victory! Congrats to the boys soccer team for a W against St. Clairsville!

- Students voted for underclassmen attendants and candidates for Homecoming Queen and King. From left to right: Freshmen Kadence Tanner & Jacob Mattern, Sophomores Audrey Corder & Kobe Mitchell, Juniors Maria Roush & Andrew Clelland, Seniors Autumn Ash & Keishi Arnold, Allison Heavilin & Damon Carpenter, Lexee McAfee & Josh Croft, Sydney Starr & Caden Dalton, and Madison Young & Payton Taylor. The Queen will be crowned at halftime of the football game on September 21st and the King will be crowned at the dance on September 22nd.

- Thank you to Harrison County Farm Bureau for inviting Kelly Love, Vice President of Ohio CAT, in to talk to students.

- Students in Mrs. Wright's classes were working on a penny lab to walk through the steps of the scientific method!

Mark Your Calendar

Friday, September 21

- Football v. Martins Ferry @ 7pm (Homecoming Game)

Saturday, September 22

- Homecoming Dance in the high school gymnasium from 7-10pm

Harrison East Elementary

• On September 11th, 2018 at 9:00a.m., Mrs. T. Starr's 6th grade 21st Century Enrichment class presented their research and learning in the form of a school assembly to commemorate September 11th, 2001. The students spent the previous two weeks learning about the tragic events that occurred on this day. They decided as a class to present their findings in the form of a book to share with the school that would help the students understand what happened. Each student in the class was responsible for at least one page in the book. A few of the students worked to put together a slide show of photos that further explained the events associated with the day. The students did a great job on their research and presentation. Pictured below are first row; Taylor Moore, Anthony Pelegreen, Kayden Dunkle, Zoey Todd, Ceci Bellerive, and Kyle Bake. Second row: James Rosenberger, Avri Puskarich, Lyla Dalton, Gabby Stull, Avery Cash, and Brady McPeak.

- Mrs. McKinney and Ms. Ferrell's 6th grade math students have been learning statistics. Ms. Ferrell used the sweet treat of skittles to help them learn mean.

- Mrs. Ashley Smith from the Puskarich Library was Mrs. McAfee's special guest reader this week.

- Mr. Bengier's social studies student researched fossils and created their own fossils and imprint casts, too.

- Fourth graders enjoyed their annual adventure to the Zitko farm as they participated in the Harrison County Soil and Water Conservation farm day.

- Mr. Madzia attended the Principal Collaborative Leadership meeting at the Jefferson County ESC.
